SKILLS

- **Languages:** C++, JavaScript, HTML/CSS
- **Frameworks:** React, Node.js, Express.js
- **Tools/Platforms:** MySQL, MongoDB, Supa-Base
- **Soft Skills:** Data Structures and Algorithms, OOPs, CN, OS, Git, Github, Vercel, VS Code, Postman

PROJECTS

- **QUICKCONNECT- Real-Time Chat Application:** January-2024
Developed an interactive chatting platform enabling real-time messaging and notifications. Implemented an online/offline feature to enhance user engagement. Delivered front-end development using ReactJS and Tailwind CSS for a responsive design. Optimized UI/UX and performance to ensure smooth operation in a fast-paced, high-pressure environment.
Tech: React, Node.js, Express.js, JWT, Tailwind CSS, Socket.IO, Chakra UI.
- **LMS- Self-Employed Management System:** August-2024
Designed and implemented a role-based management system with Admin, Teacher, and Student panels. Developed a responsive and user-friendly web interface for seamless interaction across devices. Integrated secure authentication and access control for different user roles. Enabled real-time data management for student records, attendance, and performance tracking. Optimized system performance and scalability for efficient handling of user requests.
Tech: React, Node.js, Express.js, MongoDB, JWT, Tailwind CSS.
- **URLITE-Short Url & QR code generator:** January-2023
Built a full-stack URL shortener application enabling users to generate custom short links for easy sharing and fast web access. Real-time monitoring with React dashboards to track devices, usage clicks, and locations. Mobile and desktop access with a user-friendly interface built using Tailwind CSS and Shadcn UI. Generate short URLs and QR codes for easy device sharing and access.
Tech: React, Tailwind CSS, Supa Base, Shadcn UI.

CERTIFICATES

- GFG Self-Paced Data Structure & Algorithm Certificate. May-August
- Introduction to MongoDB. January-May

ACHIEVEMENTS

- **GFG 150+ problem solved:** January 2024
I successfully completed an 8-week self-paced DSA course from GeeksforGeeks, gaining expertise in Data Structures, Algorithms, Problem Solving, and C++ programming.
- **100+ question solved on code360 platform:**
Focusing on data structures and algorithms.

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.56 2022-2026
- **Mahatma Gandhi Inter College** Uttar-Pradesh, India
Intermediate; Percentage: 75% 2020 - 2022
- **Ashok Bidhya Peeth Inter Collage** Uttar-Pradesh, India
Matriculation; Percentage: 84% 2018 - 2020
